

# Flagline

## Necessary:

- Fabric
- Felt for the applications
- Ribbon
- Thread

2. Apply the wanted applications on both "peaks, so you can read it from both sides. When you use felt for the applications you do not have to zigzag, just sew them on the fabric.

4. Use

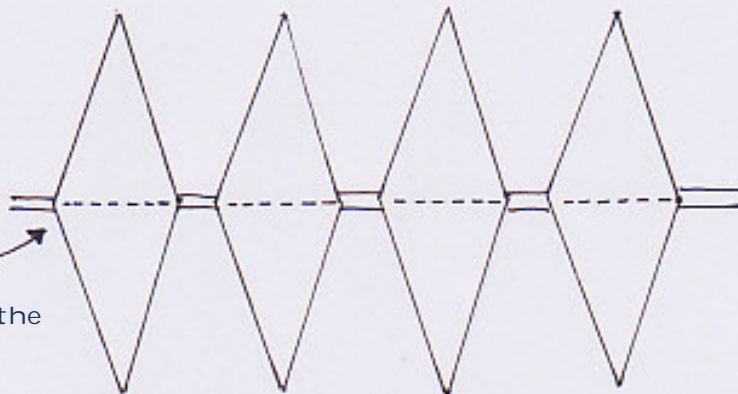

- Figures
- Letters
- Images

123  
LETTERS

3. Put the applications opposed to each other. If you make a word or sentence, put all the flagtips beside each other and see to it that the word (or sentence) has the right sequence on both sides.

5. Sew all the double flagtips in the middle on the ribbon.

6. Fold the flagtips together and pin them together.

7. Sew the tips together with a zigzag stitch.
